SA 380. Mr. ALLEN (for himself and Mr. WARNER) proposed an amendment to amendment SA 358 proposed by Mr. JEFFORDS to the bill (S. 1) to extend programs and activities under the Elementary and Secondary Education Act of 1965; as follows:

At the appropriate place, insert the following:

SEC. . SENSE OF THE SENATE REGARDING EDUCATION OPPORTUNITY TAX RELIEF.

(a) FINDINGS.—The Senate finds the following:

(1) Improving the education of our children is an essential and important responsibility facing this country.

(2) Strong parental involvement is a cornerstone for academic success; it is parents who know and understand the special, individual needs of their own children.

(3) Advanced technology has fueled unprecedented economic growth and positively transformed the way Americans conduct business and communicate with each other.

(4) Families will need ready access to the technical tools and skills necessary for their school age children to succeed in the classroom and the increasingly competitive international marketplace.

(5) Studies have shown that the presence of a computer in the home has a positive impact on a student's level of academic achievement and performance in school.

(6) Tax relief, enabling the purchase of technology and tutorial services for K-12 education purposes, would significantly help defray the cost of education expenses by: empowering families financially and increasing

education spending; allowing families to provide their children access to a far greater range of educational opportunities suited to their individual needs, and; bridging the digital divide.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that Congress and the President should—

(1) Act expeditiously to pass legislation in the First Session of the 107th Congress that provides tax relief to parents of K-12 students for the cost of their children's education-related expenses, specifically, computers, peripherals and computer-related technology, educational software, Internet access and tutoring services; and

(2) That such tax relief would not apply toward the cost of private school tuition.

SA 381. Mr. ALLARD submitted an amendment intended to be proposed by him to the bill S. 1, to extend programs and activities under the Elementary and Secondary Education Act of 1965; which was ordered to lie on the table; as follows:

At the end of title IX, insert the following:

SEC. —. AMENDMENT TO THE INDIVIDUALS WITH DISABILITIES EDUCATION ACT.

Part D of the Individuals with Disabilities Education Act (20 U.S.C. 1451 et seq.) is amended by adding at the end the following:

“Chapter 3—Improving Early Intervention, Educational, and Transitional Services and Results for Children with Disabilities Through the Provision of Certain Services

“SEC. 691. FINDINGS.

“Congress makes the following findings:

“(1) Approximately 1,000,000 children and youth in the United States have low-incidence disabilities which affects the hearing, vision, movement, emotional, and intellectual capabilities of such children and youth.

“(2) There are 15 States that do not offer or maintain teacher training programs for any of the 3 categories of low-incidence disabilities. The 3 categories are deafness, blindness, and severe disabilities.

“(3) There are 38 States in which teacher training programs are not offered or maintained for 1 or more of the 3 categories of low-incidence disabilities.

“(4) The University of Northern Colorado is in a unique position to provide expertise, materials, and equipment to other schools and educators across the nation to train current and future teachers to educate individuals that are challenged by low-incidence disabilities.

“SEC. 692. NATIONAL CENTER FOR LOW-INCIDENCE DISABILITIES.

“In order to fill the national need for teachers trained to educate children who are challenged with low-incidence disabilities, the University of Northern Colorado shall be designated as a National Center for Low-Incidence Disabilities.

“SEC. 693. SPECIAL EDUCATION TEACHER TRAINING PROGRAMS.

“(a) GRANT.—The Secretary shall award a grant to the University of Northern Colorado to enable such University to provide to insti-

tutions of higher education across the nation such services that are offered under the special education teacher training program carried out by such University, such as providing educational materials or other information necessary in order to aid in such teacher training.

“(b) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to carry out this section, \$2,000,000 for fiscal year 2002, and \$1,000,000 for each of the fiscal years 2003 through 2005.”.
